

# Practice Application

The guided practice for this activity is divided into three sections:

1. Create a folder with an icon named **PB** and **your last name** to hold all files for this activity. Create 2 folders within this personalized folder named **Practice** and **Application** respectively.
2. Complete the activities to create a presentation **All About Me**. Use the instructions found on the web page.
3. Complete the activity, Newsletter, page66-69.
4. Complete the activities to create a simple Web page (see **How To** instructions on **TeachNet**).
